

## WBCA Meeting Minutes 7/20/2022

The meeting started with our guest speaker Rob Collette, who taught us a little about First Aid & Safety and the importance of training employees. Contact Rob if you think you want to set up trainings for your organization or need first aid bags that compliment your work environment.

Smaller attendance due to summer months but Stuart spoke about cooling centers being put in place due to the heat during the summer months

Rob spoke about the façade program and how applications to apply will begin August 1<sup>st</sup> with a pilot group. There is also a depreciation for repayment for these improvements as well as complete forgiveness after 15 years.
